Dear Mr. Morisy:

This is the final response to your electronic Freedom of Information Act (FOIA) request dated January 21, 2013, for *"a copy of each Report of Investigation (ROI) for each investigation completed within the last four years involving expense reimbursement, expense fraud, travel expenses or entertainment expenses."* We received your request on January 22, 2013, and assigned it FOIA case number FOIA-2013-00230.

This office is responsible for processing all FOIA requests for access to records maintained by the Department of Defense, Office of the Inspector General (DoD OIG). As you may know, the FOIA requires federal agencies to provide reasonably described records that contain information that is responsive to a FOIA request. See 5 U.S.C. § 552(a)(3)(A)(i). In practice, this means that our office is tasked to respond to requests received from the public for records or documents in the possession and control of the DoDIG, which have been described in such a manner as to permit a non-random search by those who are familiar with such records.

After careful review of your FOIA request, we determined that your request is too broad in scope or did not specifically identify the records which you are seeking. Records must be described in reasonably sufficient detail to enable government employees who are familiar with the subject area to locate records without placing an unreasonable burden upon the agency. Whenever possible, a request should include specific information about each record sought, such as the date, title or name, author, recipients, and subject matter of the records, if known, or the component or office you believe created and/or controls the record.

Please resubmit your request containing the DoD OIG office you believe created and/or controls the record. Information about our agency is available at http://www.dodig.mil/About_Us/organization.html. Upon receipt of a perfected request, you will be advised as to the fee status of your request.

If we do not hear from you within 10 days from the date of this letter, we will assume you are no longer interested in this FOIA request, and the case will be administratively closed. Please be advised that this action is not a denial of your request and will not preclude you from filing other requests in the future.

Sincerely,

Jeanne Miller

Privacy Office
